Gentlemen

I am desirous of supplying  
 my pupils with the best helps towards a  
 knowledge of Chronology, & thinking that  
 "The Universal Guide to the Stream of Time"  
 may conduce to that end - I will thank  
 you to send it me, on condition, that if  
 I do not on examination approve it, I  
 may be at liberty to return it immediately,  
 undamaged, & carriage paid. - On this  
 condition I shall be glad to receive it  
 as soon as convenient, with request a  
 friend to call & pay you immediately.

I remain, Gentlemen,  
 Your humble servant

Christ's Hospital J. W. Franklin
